

SCGC 1st Annual Educational Conference
Genetic Counselors – Advancing the Role of Genomic Medicine in Health Care

Friday May 18th, 2018

- 8:00 – 9:00 **Registration.** (Attendee welcome totes are sponsored by Integrated Genetics)
- 8:30 – 9:00 **Breakfast** (Sponsored by Myriad Genetics)
- 9:00 – 9:15 **Welcome Address**
- 9:15 – 9:45 **The Role of Germline Testing for Hematopoietic Malignancies**
Catherine Quindipan, MS LCGC, Children's Hospital Los Angeles
- 9:45 – 10:15 **Expanding Access to Hereditary Cancer Testing – Closing the Gap of Unmet Need**
Kim Childers, MS LCGC, Providence Health and Services Southern California
- 10:15 – 10:30 **Morning Break** (Sponsored by Invitae)
- 10:30 – 11:15 **Panel Discussion 1 -- The Ethics of Variant Classification: Taking Responsibility for Volatile Information**
Moderator: Julie Culver, MS LCGC, USC Norris Comprehensive Cancer Center

Panelists: Margaret Au, MBE MS LCGC, Cedars-Sinai Medical Center
Naghme Dorrani, MS, University of California, Los Angeles
Stacey Wong, MS LCGC, Invitae
- 11:15 – 11:45 **Ethics of Germline Genome Editing**
Kelly Ormond, MS LCGC, Stanford University
- 11:45 – 1:00 **Lunch** (Sponsored by Ambry Genetics)
- 1:00 – 1:30 **Familial Mediterranean Fever: Genetics, Diagnosis, Management and the 21st Century Politics of an Ancient Disease**
Wayne Grody, MD PHD, University of California, Los Angeles
- 1:30 – 2:15 **Panel Discussion 2 -- The Yin and Yang of Consumer Genomics: Challenges and Opportunities for Genetic Counselors.**
Moderator: Molly McGinniss, MS LCGC, Illumina

Panelists: Elissa Levin, MS LCGC, Helix
Johanna Schmidt, MPH MS LCGC, Westside Genetic Counseling
Stephany Tandy-Connor, MS LCGC, Ambry Genetics
- 2:15 – 2:45 **Pharmacogenomics: A Key Component of Precision Medicine**
Samit Shah, PhD MBA, RPh, Keck Graduate Institute

- 2:45 – 3:15 **Student Poster with Authors**
Various students from GC Program at UC Irvine
- 3:15 – 3:30 **Afternoon Break** (Sponsored by Invitae)
- 3:30—4:30 **Project Pitches and Research Round-Up**
Moderator: Bill Herbert, MS LCGC, Kaiser Permanente
- 4:30 – 4:40 **Closing Remarks**
